## Brief Summary

---

MCA student specializing in Cybersecurity, with strong expertise in mobile application development (Flutter/Dart) and backend engineering with Java Spring Boot. Skilled in building secure, scalable, and efficient systems, applying cybersecurity best practices to protect data and privacy. Experienced in coding competitions, and collaborative projects, with proven problem-solving and teamwork skills. Aspires to design and deliver innovative, security-driven digital solutions.

## Education

---

**Parul University**, M.C.A. in Cyber Security and Forensics | CGPA: 8.67/10

**SDJ International College, Surat**, B.C.A. in Computer Applications | CGPA: 8.15/10

**L.P. Savani, Surat**, 12th GSEB | Percentage: 74.8%

**Alpha International School**, 10th GSEB | Percentage: 77.8%

## Projects

---

**GearNest** | GitHub Link

- Developed a secure web application to streamline garage operations and enhance customer experience.
- Implemented secure role-based modules for customers, garage owners, and admins with real-time interactions.
- Features: garage discovery, service booking, job postings, and feedback management.
- Built an admin panel for user management and garage listing approvals.
- Tools: Spring Boot, Thymeleaf, MySQL, JPA.

**Healthify** | GitHub Link

- Built a Flutter-based app for doctor-patient appointment management.
- Integrated Razorpay for secure online payments.
- Implemented Firebase authentication and cloud storage.
- Tools: Flutter, Firebase, Dart.

## Key Expertise & Technologies

---

**Languages:** Java, Flutter/Dart, Kotlin, SQL

**Frameworks & Tools:** Spring Boot, Hibernate, Firebase, GitHub

**Core Areas:** Cybersecurity, Backend Development, Mobile Application Development, OOPS, Networking

## Certifications

---

- Java Training – IIT Bombay (Score: 65/100)
- JavaScript – Global Certification (92/100)
- Computer Networks – IIT Kharagpur (60/100)

## Extra-Curricular Activities

---

- Participated in Intercollege T10 Cricket Tournament – demonstrated leadership, strategy, and teamwork.

## Personal Interests

---

- Cricket Enthusiast – strategic thinking, teamwork.
- Puzzle Solving & Brain Games – logical thinking and problem-solving finesse.
